

# Vermont Environmental Consortium Member Application

*VEC's mission is to promote growth and support economic development in Vermont's environmental business sector. We carry out our mission by: Advocating for and promoting Vermont's environmental business sector; Forging links among business, government, non-profits and higher education to grow the green economy by promoting research, education, training, and job creation; Networking VEC members, with potential clients, resources, and support services through conferences, workshops, referrals, and other venues; and Planning and initiating projects in partnership with, and for the benefit of, our members. Please visit our website [vectogether.org](http://vectogether.org) for updates on events, projects, and other news!*
